**gfwcwcom.org**

## It's Time For Our May Planning Meeting!

This month we will wrap up the club year and begin planning for the next. Every member is a valuable part of deciding what direction

we as a club want to go, and what projects we want to take on. So bring your ideas and suggestions and don't be afraid to speak up!

This meeting is also an excellent time to invite someone who might be interested in joining us, as it will give them great insight into what we do and how we work together to make our community great!

One small act can create so much good.

## 2025-26 WCOM CLUB WOMAN OF THE YEAR

**susan lee**

Susan served as Club Treasurer and provided detailed reports for each meeting. She was dedicated to getting the Club's 501(c)(3) status reinstated, and she handled all the steps of this long and tedious process.

She also led the By-laws Ad-Hoc Committee. This is in addition to her many other contributions and participation in club projects. **CONGRATULATIONS, SUSAN!**

Mary Jean Burroughs (l) presents Susan Lee (r) as the Club Woman of the Year.

**LIVING THE VOLUNTEER SPIRIT!**

**USO PROJECT** The WCOM delivered donated food items from the club to the USO at the Columbia Airport on April 15th. Then the ladies were given a tour of the USO facilities and learned how this organization helps the service men and women who are coming through the airport on their way to deployments or back home. Thanks for the great turnout!
